

The 10 Point Neighbourhood Play Plan

Simple, effective and fun steps to building Neighbourhood Play:

1. Walk the neighbourhood with your children and say hi to your neighbours
2. Make a plan and set a goal- (involve the children)
3. Hold a local street play day to find your fellow community champions
4. Create a regular date to connect with children
5. Walk or ride to the neighbourhood children to their houses
6. Continue to walk the neighbourhood with your children and let them lead the way
7. Ride the neighbourhood with your children and teach them road safety
8. Explore the wild spaces, green spaces
9. Be consistent and regular
10. Plan to not be there, eventually
