## THINGS TO DO

# Looking out the Window While Travelling

1

### ISpy

An oldie but a goodie. Whether you are in the car, on a bus or train, there are loads of things inside and outside. Involve the younger ones by including colours.

2

### When the Ants

Sing this song and encouraging the kids to add different endings - it's hilarious!  
Eg; "The Ants go marching two by two and the little one stopped..." Yup, lots of toilet humour.

3

### Nature Spotto

The first person to spot.... (a gum tree...a kangaroo...a cloud that looks like a face... etc)

4

### Who am I

Be prepared for loads of laughs. "I am a character on TV..." "I am red..." "I am a puppet..."

5

### Rock, Paper, Scissors

Which one wins? Mix it up by adding some variations.

6

### Supermarket Game

Start with the letter 'A'..."I went to the supermarket today and bought some apples."  
Second person has to repeat from letter "A," "I went to the grocery store today and bought some apples and bread." Continue going all the way through the alphabet.

7

### Caravan Spotter

What type of van was that one? Start a list... Full van, pop up, brand name.

8

### Car Spotter

What type of car? 4wd? Toyota...start and make a list.

9

### 10 Green Bottles

Another classic that you can change and adjust to mix it up in the car. Eg: 10 Gas Bottles, hanging on the van...

10

### Word Game

Start with a word that starts with the letter "A," like "apple." The next player will then have to say a word that starts with the last letter of that word, which in this case would be "E," so they could say "elevator." You can pick a theme to mix it up.
