

10 for Bushwalking surrounding Brisbane

1. D'AGUILAR NORTH (MEE SECTION)

Mill Rainforest Walk (1.4 km) - A circuit track through subtropical rainforest.

2. D'AGUILAR SOUTH

Pitta Circuit (1km) - A great explore from Boombana through open eucalypt forest and subtropical rainforest including a huge 300-year-old strangler fig (1km)

3. FORT LYTTON NATIONAL PARK

The actual fort is open only on Sundays and well worth a visit, or even a guided tour!

4. MORETON ISLAND NATIONAL PARK

Cape Moreton (1.5km) - Site of Queensland's first lighthouse (circa 1857) and a viewing platform for whales (June–Nov), dolphins, sharks and turtles.

5. NAREE BUDJONG DJARA NATIONAL PARK

North Stradbroke Island (5.2km) - Karboora – a lovely walk through wallum woodlands with an understorey of heath wildflowers to Blue Lake; Karboora means 'deep silent pool'.

6. VENMAN BUSHLAND NATIONAL PARK

Tingalpa Creek Circuit (2.5km) - Ramble through eucalypt forest along Tingalpa Creek.

7. BUNYA MOUNTAINS NATIONAL PARK

Scenic Circuit (4km) - A very popular walk through bunya pine forest with rock pools, waterfalls and panoramic mountain scenery.

8. CROWS NEST NATIONAL PARK

Crows Nest Falls Lookout (2.1km) - Grab a view of these 20m high falls (best visited after rain).

9. MAIN RANGE NATIONAL PARK

Palm Grove Circuit (4.4km) - Connected to the Rainforest circuit, this walk passes through a dense grove of piccabeen palms and open eucalypt forest.

10. RAVENSBORNE NATIONAL PARK

Cedar Block circuit (500m) – simple self-guided walk through rainforest showing how local timbers were used by Indigenous groups and timber-getters.
