

TO DO to connect with Nature

1. Build a frog friendly garden
2. Make a bird feeder
3. Plant a native food tree in your garden
4. Find a native tree in a park and see if you can see animal scratches on it
5. Make a worm farm in a cool place to use up your food scraps
6. Press a native flower and make a gift card
7. Make homes for animals in your garden
8. Photograph a native animal and make a gift card
9. Go to the library and learn all you can about gliders. You'll be surprised!
10. Make an underwater viewer for seeing in a rock pool at the beach.
